

Authenticate to MauPass using Mobile ID App

Passwordless authentication

Sign in to your MauPass Account on any device via a QR code in a few simple steps.

1

- Open the MauPass login page on your personal computer or laptop.

<https://maupass.govmu.org/account/login>

- Click on 'Mobile ID Login' on the left panel

2

- Open the Mobile ID App on your mobile phone.
- Select 'Authenticate to MauPass'.
- Point your phone to the screen to capture the QR code.

Access your MauPass account without any credentials.
